DETAILED ACTION

Response to Amendment

1. This is in response to amendment filed on July 2, 2004.
2. Claims 2-10,12-15, 17-25 are pending.
3. Claims 2-10,12-15, and 17-25 have been considered but are moot in view of the new ground(s) of rejection.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claim 2-10,12-15, and 17-25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 3 recites the limitation "**the plane change cells**" in line 19. There is insufficient antecedent basis for this limitation in the claim.

Moreover, the claimed limitation, in line 5 recites "...sending **a plane change cell** to **the plural switch port interface units**..." However, in line 19, the claimed limitation recites, "...generate **the plane change cells** for sending to the respective **plural switch port interface units**". Thus, it unclear whether a plane change cell or plane change cells are sent to the plural switch port interface units.

Claims 4, 14,18 and 19, please see claim rejection 3 since they also recite the same claimed limitations.

Art Unit: 2661

Claims 2,5,6,7,8,9,10,12,13,15,17,20-25 are also rejected since they are depended upon rejected claims.

Allowable Subject Matter

5. Claims 2-10,12-15, and 17-25 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
